ARMATUREN FÜR DIE INDUSTRIE

EC- DECLARATION OF CONFORMITY

declaration of conformity according to EC No. 1935/2004

The manufacturer

E. KRAFT Apparatebau und Vertriebs GmbH

Siegersbusch 23-25, D-42327 Wuppertal

explains that the “Butterfly Valves”:

Butterfly valve L, M, S (DN050 – DN600 mm)

Slot valve N (DN050 – DN250 mm)

Butterfly valve BA (DN050 – DN250 mm)

are in conformity with the

REGULATION (EC) No 1935/2004 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL

(for materials and articles which are intended to get into contact with food)

from the 27th of October, 2004

We hereby declare that the valves mentioned above with the sealing components EPDM (white), NBR (white), silicone (white), Viton (white) and the installed stainless steel components – valve discs and shafts from austenitic stainless steels, duplex as well as super duplex steel – were subjected to a valuation method of conformity according to the regulation EC 1935/2004.

The above-mentioned valves and components corresponding to the regulation EC 1935/2004 about materials and articles which are intended to get into contact with food, as well as to the regulation EC 2023/2006 about Good Manufacturing Practice (GMP) for materials and articles which are intended to get into contact with food. The listed sealing components were verified according to the FDA standards §177.2600 and they were found uncritical for the determinated or intended application according to the aforementioned EC regulation.

It has to be pointed out particularly in the order text to the obeying of the regulation EC 1935/2004, as well as to the issuing of the declaration of conformity according to the mentioned regulation of EG.

Wuppertal, the 1st of July, 2015

Dipl. Betriebsw. Torsten Burgmer
Managing Director
